Pistachio Cream Cappuccino \$6.50

We've been reminiscing on our European foodie escapades a little too much with this one. Think clouds of pistachio cream lining a cappuccino filled cup. Dreamy, right? Bon Appetit!

Hazelnut Cream Cappuccino \$6.50

As above, but hazelnut. Because when it comes to dessert, options are essential.

Spiced Hot Chocolate \$6.50

Do you ever get just a little bit bored with the mediocre? So do we, so we spiced things up – pun intended.

Cinnamon Toast \$5.50

What's better than a bite of velvety buttered bread? Velvety buttered bread smothered in a feisty cinnamon sugar.

Pistachio Cream Croissant \$7.50

Sometimes we just want something a little bit...fancy. A traditional flaky croissant drizzled in pistachio cream.
